STAT

Despite our best efforts we have not been able to turn up a suitable opening for you. Your application has received thorough consideration in all the appropriate offices and there is general agreement that your qualifications are excellent. The problem is that employment opportunities are extremely limited at present, particularly in middle and upper levels, and we cannot foresee with any assurance that a suitable possibility will develop.

We appreciate your interest in the Agency and I am sorry to give you this unfavorable response. We will, however, keep your application open and will review possibilities again as we go into the new fiscal year.

Sincerely,

STAT
